

Be the change. Volunteer 5 easy steps to sign up!

1

Create a HandsOn account.

Create your Volunteer Account

To sign up for any of the volunteer activities on our public-service calendar, you'll need to create a HandsOn account. In preparation for the programs that you sign up for, you will receive email communication from HandsOn and we will provide your contact details to NGO service program organizers and Volunteer Leaders running the activity (see our Volunteer Policy here).

Complete the form below to get started!

To protect your account security, click here for tips on creating a secure password.

Fields marked with an asterisk (*) are required.

BASIC INFO

First Name *

Last Name *

Date of Birth *

2

Once registered, you will find a variety of roles on the HandsOn public calendar.

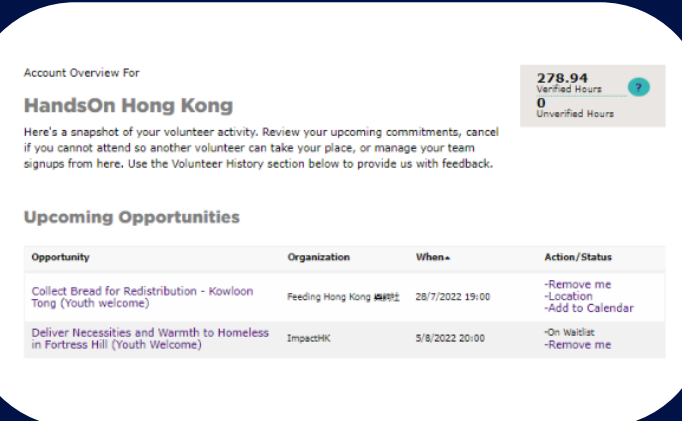

3

Select and sign up for a volunteering activity.

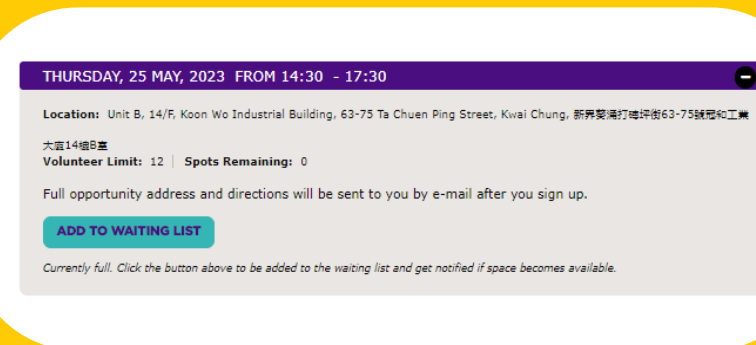

4

Once successful, you can manage your participation in your Volunteer profile. Click My Account > Overview.

5

For activities showing as Full, you can add yourself to the waiting list and will be automatically notified should a space become available.

1

Don't forget to register with your work email address.

2

Keep up-to-date with the latest volunteering activities via the HandsOn newsletter.
